About Us

York Art Association is a visual arts organization founded in 1905 by a group of local artists. Today, with over 275 active members and a community reach of 1800, our goal is to encourage and support the creation and enjoyment of the arts in our community and beyond.

We are a non-profit organization funded by member dues, educational revenues and contributions from community partners, such as the Cultural Alliance of York County.

As an almost exclusively volunteer driven association, there are many opportunities for members to become involved in meaningful ways.
